Note (2)—In addition to the above items, reserve stocks of other categories which may be required to be printed from time to time e.g. cheque books, National Savings Certificates, Postal Orders, and various miscellaneous items etc. shall also be maintained in the Central Stamp Store in accordance with the request of the indentors or as may be found necessary by the Controller of Stamps.

Note (3)—In respect of such items for which daily output of the Stamp Press is fixed e.g. Postcards, Envelopes, Inland Letter Cards, some denominations of banderols and such similar items etc. as may be determined by the Controller of Stamps from time to time the words 'in addition' referred to in this rule will not be operative i.e. the stocks required to be held in respect of these items will be as per the minimum and maximum limits stated above.

Note (4)—If on account of sharp decrease in treasury scales, the stocks printed previously exceed the maximum limits with reference to the subsequent decrease in sales, such cases will not be deemed as in contravention of the maximum limits of reserves; they will be issued and disposed of in due course, subsequent print order, if any, being regulated on the basis of reduced scales.
